

Complete CellOracle in silico perturbation metrics and randomized-control assessment

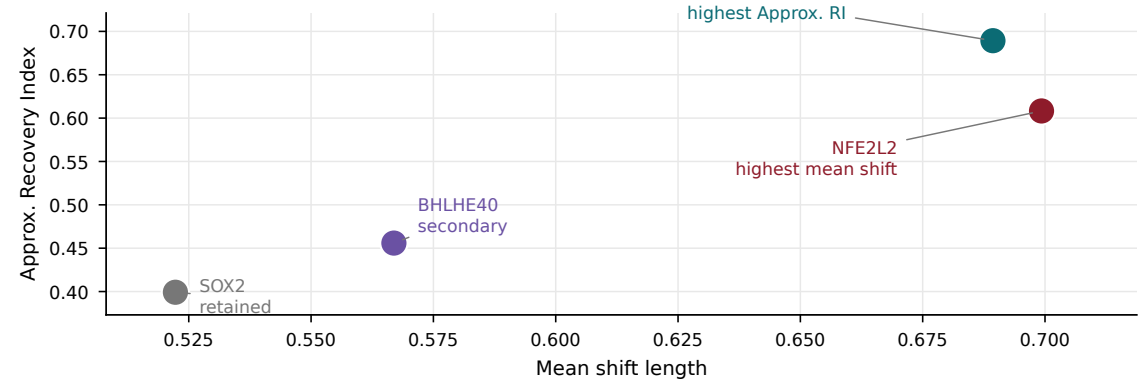

A

Round 1 CellOracle perturbation metric heatmap

B

Quantitative perturbation summary

C

NFE2L2 representative in silico KO

Simulated KO shift

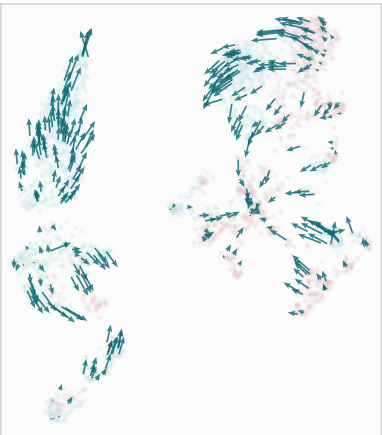

Randomized control

D

THRB representative in silico KO

Simulated KO shift

Randomized control

E

BHLHE40 representative in silico KO

Simulated KO shift

Randomized control

F

SOX2 representative in silico KO

Simulated KO shift

Randomized control
