Representative GO terms
Regulation Of Transcription By RNA Polymerase II GO:0006357)
Positive Regulation Of Transcription By RNA Polymerase II GO:0045944)
Positive Regulation Of DNA-templated Transcription GO:0045893)
Chemical Synaptic Transmission GO:0007268)
Regulation Of Anatomical Structure Morphogenesis GO:0022603)
Regulation Of GTPase Activity GO:0043087)
Calcium Ion-Regulated Exocytosis Of Neurotransmitter GO:0048791)
Positive Regulation Of Dendrite Extension GO:1903861)
Regulation Of Dendrite Extension GO:1903859)
Modulation Of Chemical Synaptic Transmission GO:0050804)
